**What You Need**

**Application form:**
- Yale-NUS College Application Form
- Common Application with Yale-NUS Member Page
- Common Application with Yale University

This form includes personal information, co-curricular achievements, short answers and 2 personal essays. Give yourself enough time to complete the form.

**Transcripts or Academic Reports**
Please provide all academic records from your last 3 years of school.

If your final examination results are not yet available, please ask your teachers to send us your predicted grades and preliminary examination grades.

**Two teacher recommendation letters**
Please provide 2 teacher recommendations from teachers who have taught you in an academic subject.

It is always a good idea to give your teachers advance notice (we think that 1-2 months is fair) if you want them to write you a recommendation letter.

**Standardised Testing**
Most students schooled outside of Singapore are required to provide either an SAT or SAT.
- Yale-NUS College’s codes are: SAT:0003 ACT: 5482

If you are schooled in Singapore or in a country that does not offer the SAT, such as China, you are not required to provide standardised tests as part of your application. All other applicants must submit the SAT or the ACT.

SAT Subject Tests are recommended but not required. Applicants who do not take SAT Subject Tests will not be disadvantaged in the application process.

Find your local test centre below:
- SAT
- ACT

**English Language Testing Scores**
While English language testing is not required, applicants are expected to demonstrate the ability to communicate in writing and speaking at an advanced level. Applicants who choose to demonstrate fluency through a standardised test, are encouraged to take either TOEFL or IELTS.

English language testing is optional. However, the following scores are recommended for those who have opted to take TOEFL or IELTS:
- Internet-based TOEFL: Minimum recommended score of 100
- IELTS: Minimum recommended score of 7

Please be sure to include Yale-NUS CEEB code (2426) on all test registrations.

**Application Fee:**
There is a small application fee of US$50 charged on all applications to Yale-NUS College.

You will be asked to pay this fee after you submit the Common Application with Yale-NUS Member Page, or the Yale-NUS Application. If you feel that the application fee to Yale-NUS College would be a financial hardship, you may request a fee waiver within the application form.

**Interviews:**
If invited for an interview, the interview becomes a required part of the application.

Due to the volume of applications received, we are only able to offer interviews to shortlisted applicants. If you are invited for an interview, you should log into your application portal as soon as possible to:
- Schedule an in-person on-campus interview if you are currently in Singapore
- OR
- Schedule a Skype interview if you currently reside outside of Singapore. We recommend that you check www.timeanddate.com for an appropriate slot in your time zone. Please ensure that you have a stable internet connection and valid Skype ID.

You can learn more about your interviewer here.
