

## Post-Secondary Education Account (PSEA)

The PSEA is administered by the Ministry of Education (MOE) and is available to Singapore Citizens. Students who have funds in their PSEA may utilize the funds to pay for their tuition fees, residential college fees, miscellaneous fees and other approved charges.

Students may also utilize their siblings' PSEA funds for payments, subject to approval by MOE.

Students who wish to use the PSEA for payment of tuition, residential college or miscellaneous fees should submit the completed [application form](#) to the Yale-NUS Admissions and Financial Aid office. The application form must be submitted before the end of the first week of the academic semester, for usage of PSEA funds in the same semester.

Students who wish to use the PSEA for payment of other approved charges, such as academic field trips, should submit the completed [application form](#) and supporting documents (for example, receipts and approval letters) to the Admissions and Financial Aid office within 2 months of completion of the approved activity.

The PSEA can also be used for repayment of the Tuition Fee Loan (TFL) and CPF Loan after the student has graduated from Yale-NUS College. This [application form](#) should be submitted to MOE directly.
